## St Lawrence School of Football FA Charter Standard Club – Safeguarding Children Policy and Procedures

1. St Lawrence School of Football FA Charter Standard Club acknowledges its responsibility to safeguard the welfare of every child and young person who has been entrusted to its care and is committed to working to provide a safe environment for all members. A child or young person is anyone under the age of 18 engaged in any Club football activity. We subscribe to the Football Association's Safeguarding Children – Policy and Procedures and endorse and adopt the Policy Statement contained in that document.
2. The key principles of The FA Safeguarding Children Policy are that:
  - The child's welfare is, and must always be, the paramount consideration.
  - All children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial, origin, religious beliefs or sexual orientation.
  - All suspicious and allegations of abuse will be taken seriously and responded to swiftly and appropriately.
  - Working in partnership with other organisations, children and young people and their parents/careers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse.

St Lawrence School of Football FA Charter Standard Club recognises that this is the responsibility of every adult involved in our club.

3. St Lawrence School of Football FA Charter Standard Club has a role to play in Safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The Football Association's Child Protection Regulation (see The FA Handbook) applies to everyone in football whether in a paid or voluntary capacity. This means whether you are a volunteer, match official, helper on club tours, football coach, club official or medical staff.
4. We endorse and adopt The FA's Responsible Recruitment guidelines for recruiting volunteers and we will:
  - Develop a role profile
  - Request identification documents
  - As a minimum meet and chat with the applicant(s) and where possible conduct interviews before appointing
  - Request and follow up with two references before appointing
  - Require an FA CRB Unit Enhanced Disclosure where appropriate in line with FA guidelines.

9. Reporting your concerns about the welfare of a child or young person –  
**Safeguarding is everyone's responsibility. If you are worried about a child, it is important that you report your concerns – no action is not an option.**

- If you are worried about a child, then you need to report your concerns to the CWO
- If the issue is one of poor practice, they will either:
  - deal with the matter themselves or
  - seek advice from the CFA Welfare Officer
- If the concern is more serious – possible child abuse – they will, where possible, contact the CFA Welfare Officer first, then immediately contact the Police or Children's Services
  
- If the child needs immediate medical treatment take them to a hospital or call an ambulance and tell them this is a child protection concern. Let your CFA Welfare Officer know what action you have taken
- If at any time you are not able to contact your CWO or the matter is serious then you can either:
  - Contact your CFA Welfare Officer directly or
  - Contact the Police or Children's Services or
  - Call the NSPCC 24-hour Helpline for advice on 0808 800 5000 or email [help@nspcc.org.uk](mailto:help@nspcc.org.uk)

**NB** – The FA's Safeguarding Children Policy and Procedures is available via [www.TheFA.com/Footballsafes](http://www.TheFA.com/Footballsafes). Click on the 'downloads' under Policy and Procedures, it outlines in detail what to do if you are concerned about the welfare of a child and includes flow diagrams to describe this process.

This is also covered within the Safeguarding Children workshop, where participants are given the opportunity to discuss how this feels and how best they can prepare themselves to deal with such a situation.
